ARTICLE I

CAPITAL STOCK SUBSCRIPTION, ISSUANCE AND TRANSFER OF SHARES

- SECTION 1.** **Authorized Capital Stock.** The authorized capital of the Corporation shall be such amount as stated in Article Seventh of the Amended Articles of Incorporation of the Corporation.
- SECTION 2.** **Stock Certificates.** Each stockholder shall be entitled to a certificate or certificates of stock setting forth the number of shares of stock of the Corporation registered in his name in the books thereof. Each stock certificate shall be numbered, shall bear the signatures of the President and the Secretary and the seal of the Corporation, and shall be issued in numerical order from the stock certificate book. The data relative to each stock certificate issued shall be made to appear on its stub in the stock certificate book. No stock certificate shall be issued unless the shares are fully paid, nor shall a stock certificate be issued for a fraction of a share.
- SECTION 3. -** **Transfer of Shares.** Shares of stock so issued are personal property and may be transferred by delivery of the certificate or certificates indorsed by the owner or his attorney-in-fact or other persons legally authorized to make the transfer. No transfer, however, shall be valid, except as between the parties, until the transfer is recorded in the books of the Corporation so as to show the name of the parties to the transaction, the date of the transfer, the number of the certificate or certificates and the number of shares transferred. Upon such transfer, the old certificate shall be surrendered to the Corporation by the delivery thereof to the person in charge of the stock and transfer books and ledgers, or to such other person as the Board of Directors may designate, by whom it shall be cancelled, and a new certificate shall thereupon be issued. All certificates presented for transfer to the Corporation must be stamped "CANCELLED" on the face thereof, together

¹ As amended by the Board of Directors on February 15, 2018 and by the stockholders on July 5, 2018.

with the date of cancellation, and must be immediately attached to the corresponding stub in the stock book. No shares of stock against which the Corporation holds any unpaid claim shall be transferred in the books of the Corporation.

SECTION 4.

Lost, Stolen or Destroyed Stock Certificates. In case a stock certificate is lost, stolen or destroyed, the registered owner of the certificate(s) or his legal representative, shall file with the Corporation an affidavit in triplicate, setting forth, if possible, the circumstances as to how the certificate(s) were lost, stolen or destroyed, the number of shares represented by each certificate, the serial number(s) of the certificate(s) and the name of the Corporation which issued the same. After verifying the affidavit and other information and evidence with the books of the Corporation, said Corporation shall publish a notice in a newspaper of general circulation, published in the place the Corporation has its principal office, once a week for three (3) consecutive weeks, at the expense of the registered owner of the certificate(s) of stock which have been lost, stolen or destroyed. The notice shall state the name of the Corporation, the name of the registered owner and the serial number(s) of shares represented by such certificate(s), and that after the expiration of one (1) year from the date of the last publication, if no contest has been presented to said Corporation regarding said certificate(s) of stock, the right to make such contest shall be barred and said Corporation shall cancel in its books the certificate(s) of stock which have been lost, stolen or destroyed, and issue in lieu thereof new certificate(s) of stock, unless the registered owner files a bond or other security in lieu thereof as may be required, running for a period of one (1) year, for a sum and in such form and with such sureties as may be satisfactory to the Board of Directors, in which case, a new certificate may be issued even before the expiration of the one (1) year period; provided that if a contest has been presented to the Corporation or if an action is pending in court regarding the ownership of said certificate(s) of stock which have been lost, stolen or destroyed, the issuance of the new certificate(s) of stock in lieu thereof shall be suspended until the final decision by the court regarding the ownership of said certificate(s) of stock which have been lost, stolen or destroyed. The provisions of Section 73 of the Corporation Code of the Philippines shall be complied with in the case of replacement of a lost, stolen or destroyed certificate of stock.

SECTION 5.

A. **Maximum Limit of Shareholdings.** In order to avoid creating a controlling interest group in the Corporation, no

stockholder shall own or acquire more than thirty percent (30%) of the outstanding capital stock of the Corporation. A parent company, its subsidiaries and affiliates, shall, for purposes of this paragraph, be deemed as one (1) stockholder, thus, their total or aggregate shareholdings in the Corporation shall be computed for purposes of determining compliance with this paragraph. A parent company shall refer to a company which owns or controls at least a majority of the outstanding voting stock of another company/ies. A subsidiary shall refer to a company more than 50% of the outstanding capital stock of which is, directly or indirectly, owned, controlled or held with power to vote by another company. An affiliate shall refer to any company which is a stockholder of the Corporation and which has a link, directly or indirectly, to another corporate stockholder of the Corporation, by means of control and/or ownership of at least ten percent (10%) of its outstanding capital stock.

B. No transfer of stock or any interest therein which will reduce the ownership of Filipino citizens to less than 70% of the capital stock shall be allowed in the books of the Corporation.

C. Any transfer or acquisition made in violation of these provisions shall be null and void and shall not be recorded in the stock books of the Corporation. These restrictions shall appear in all stock certificates of the Corporation.

SECTION 6.

Preemptive Right. The exercise of preemptive right shall be governed by Article Seventh of the Amended Articles of Incorporation of the Corporation.

SECTION 7

Treasury Shares. All issued, outstanding and fully paid for capital stock of the Corporation which are subsequently reacquired by the Corporation by purchase, redemption, donation or through some other lawful means are treated as treasury shares. Such shares may again be disposed of for a reasonable price fixed by the Board of Directors.

SECTION 8

Fractional Shares. No certificates of stock shall be issued evidencing ownership of fractional shares. In any and all cases where any amount of stock issuable for stock dividend shall be less than one share, fractional shares shall not be issued but payment shall be made, in cash, to the stockholder entitled to receive the same, of an amount equivalent to such fraction, based on the par value of such stock.

SECTION 9 **Regulations.** The Board of Directors may make such rules and regulation as it may deem expedient concerning the issue, sale, transfer and registration of the certificates of shares of the capital stock of the Corporation in accordance with law.

ARTICLE II

STOCKHOLDERS' MEETING

SECTION 1. **Annual Meeting.** The annual meeting of the shareholders shall be held on the fourth Wednesday of June of each year², at the principal office of the Corporation, or within Metro Manila as shall be determined by the Board of Directors, for the purpose of electing directors and for the transaction of such other business as may properly come before the meeting. If such date becomes a legal holiday, such meeting shall be held on the following business day at the same place and hour. If the election of directors shall not be held on the day designated for the annual meeting or at any adjournment of such meeting, the Board of Directors shall cause the election to be held at a special meeting as soon thereafter as the same may conveniently be held. At such special meeting, the stockholders may elect the directors and transact such business as stated in the notice of the meeting with the same force and effect as at an annual meeting duly called and held. The Corporation shall notify the Securities and Exchange Commission in writing of such postponement within ten (10) calendar days from the date of such postponement, stating therein the justifiable and valid reason for the postponement.

SECTION 2. **Special Stockholders' Meeting.** Special meeting of the stockholders may be called at any time by resolution of the Board of Directors or upon written request of stockholders representing at least one third (1/3) of the outstanding capital stock of the Corporation, setting forth the purpose of such meeting in the notice.

SECTION 3. **Notice.** Except as otherwise provided by law, written or printed notice of every annual meeting or special meeting of stockholders, stating the place, day and hour of the meeting, and the purpose or purposes for which the meeting is called shall be transmitted by personal delivery, telefax, electronic mail or by mail to each stockholder at his address as the same appears on the

² As amended by the Board of Directors on January 19, 2012 and by the stockholders on June 27, 2012.

stock book of the Corporation, at least fifteen (15) business days before the date of the meeting. Personal delivery of such notice to a stockholder shall be equivalent to mailing. Except as otherwise provided by law, no publication of notice of annual meeting of stockholders shall be required. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice. Notice of meeting need not be given to any shareholder who signs a waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting to lack of notice of such meeting, shall constitute a waiver of notice by him. No notice shall be necessary for any adjourned meeting.

The notice of stockholders' meeting shall also set the date, time and place of the validation of proxies which, in no case, shall be less than five (5) calendar days prior to the annual stockholders' meeting to be held. The presence of any stockholder who may wish to be present in person or through counsel shall be allowed.

SECTION 4.

Quorum. A quorum at any meeting of the stockholders shall consist of stockholders representing at least a majority of the outstanding capital stock except in those cases where the Corporation Code of the Philippines requires a greater proportion.
