About National Reinsurance Corporation of the Philippines (Nat Re)

Nat Re (PSE: NRCP) provides life and non-life reinsurance capacity, and in relation to this offers consultancy, technical, and advisory services to its clients—the direct insurers—in emerging markets. Its services allow direct insurers to better manage their retentions and capital, to maximize their net premiums given their risk appetites, and to execute their roadmaps to competitiveness.

Nat Re also stimulates know-how transfer in the industry by helping build its clients' capabilities in underwriting, product development, pricing, retention setting, and reinsurance program analysis. It continuously derives insights from experience and shares with its partners its knowledge of emerging markets, particularly of the Philippine insurance market, and curated global best practices in reinsurance.
