ARTICLES OF INCORPORATION

Fourth: That the Corporation shall have perpetual existence:

BY-LAWS

Article II- Stockholders' Meeting,

Section 3. Notice. Except as otherwise provided by law, written or printed notice of every annual meeting or special meeting of stockholders, stating the place, day and hour of the meeting, and the purpose or purposes for which the meeting is called shall be transmitted by personal delivery, telefax, electronic mail, **courier** or by mail to each stockholder at his address as the same appears on the stock book of the Corporation, at least **twenty-eight (28)** days before the date of the meeting. Personal delivery of such notice to a stockholder shall be equivalent to mailing. Except as otherwise provided by law, no publication of notice of annual meeting of stockholders shall be required. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice. Notice of meeting need not be given to any shareholder who signs a waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting to lack of notice of such meeting, shall constitute a waiver of notice by him. No notice shall be necessary for any adjourned meeting.

The notice of stockholders' meeting shall also set the date, time and place of the validation of proxies which, in no case, shall be less than five (5) calendar days prior to the annual

stockholders' meeting to be held. The presence of any stockholder who may wish to be present in person or through counsel shall be allowed.

Article III- Board of Directors,

Section 7. **Quorum.** At all meetings of the Board of Directors, at least 2/3 of the members of the Board of Directors shall be necessary and sufficient to constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, provided, however, that in the election of officers, the vote of at least a majority of all the members of the Board of Directors shall be necessary. If at any meeting of the Board, there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time until a quorum shall be present. In view of modern technology, however, attendance at Board meetings through telephone or video conference or similar communications equipment, whereby all persons participating in the meeting can hear each other, may be allowed, and participation in such meeting in such manner shall constitute presence in person at such meeting.

Article V- Board Committees.

Section 9. **Quorum for Committee Meetings.** A majority of the committee members shall be necessary and sufficient to constitute a quorum for the transaction of business by each committee, and the act of a majority of the committee members present at any meeting at which there is a quorum shall be the act of the particular committee. If at any committee meeting, there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time until a quorum shall be present. In view of modern technology, however, attendance at committee meetings through telephone or video conference or similar communications equipment, whereby all persons participating in the meeting can hear each other, may be allowed, and participation in such meeting in such manner shall constitute presence in person at such meeting.

We do not interpose any objection to the aforementioned amendments provided that once the application has been approved, the Corporation shall, within five (5) days from said approval, file with the Central Receiving and Records Division of the Commission a duly accomplished Current Report (SEC Form 17-C) disclosing therein the approval of subject amendments. Furthermore, the Corporation is also reminded to file an amended General Information Statement (GIS) within seven (7) days approval of the amendments.

Notwithstanding the foregoing, our Department defers to the discretion of the Company Registration and Monitoring Department considering that it has primary jurisdiction over registration of corporations and partnership in general, as well as amendments to Articles of Incorporation and By-Laws. Furthermore, our comments or recommendations are limited merely to this Department's regulatory requirements and does not cover the substance of the application with respect to compliance with the Revised Corporation Code of the Philippines.

Finally, it should be understood that the foregoing comment is without prejudice to the prerogative of this Department to act later against the Corporation, if warranted, to ensure full compliance with the provisions of the Securities Regulation Code, its implementing rules and regulations, and other pertinent laws, rules and regulations, as may be necessary and applicable under the circumstances.
